

The 14th Annual YS CTC Community Variety Show is on November 17, 2018. Held at York Suburban High School, this event benefits York Suburban Communities That Care Alliance (YS CTC), a research-and results-based community initiative.

Our Variety Show brings together the entire York Suburban School District — students, parents, teachers, and all who live within the boundaries of YSSD. People of all ages participate in and attend the Variety Show. Additionally, the Variety Show gives our youth a safe place to be on a Saturday evening. It also provides many students and adults the opportunity to gain self-confidence as they perform in front of hundreds. Please join us in supporting this wonderful evening of talent, which in turn supports the goals of YS CTC's mission: to help address mental-health issues, substance abuse, bullying, and other challenges our youth face and to promote diversity acceptance in our schools and community.

Please consider being a sponsor or advertiser. Your support will help us continue to offer programs and initiatives to our children and community.

York Suburban Communities That Care has been active in the community since 2001. Our mission: *Empowering youth, strengthening community.*

We support many programs, including:

- The Variety Show
- The Multi-Cultural Festival

Here's what you need to know:

- Acts should be no longer than three (3) minutes.
- You must provide your own music.

Remember this is a *Variety* Show, so we're looking for a variety of acts — jugglers, magicians, bands, stand-up comics, skits, group acts, or whatever talent you have. All are welcome! Audition information is posted at www.ysctc.org.
