- Each team will play at least 4 games.
- Snacks and drinks will be sold at the snack stand.
- 4 boys and 4 girls... No exceptions.
- Team members can be from any grade.

Dodgeball Rules:

- Game begins by placing the dodgeballs along the center line – 4 on one side of the center hash and 4 on the other. Players then take a position behind their end line. Following a signal by the official, teams may approach the centerline to retrieve the balls. This signal officially starts the contest.
- *Each player gets one verbal warning of disrespectful conduct. After that they are out of the game.*
- **Once a ball is retrieved it must be taken behind the attack-line before it can be legally thrown.**
- Hitting an opposing player with a LIVE thrown ball below the shoulders is an out.
- Catching a LIVE ball thrown by your opponent before it touches the ground results in an out for the opposing team; also a member from your own team can come back into play.
 - *Definition: LIVE: A ball that has been thrown and has not touched anything, including the floor/ground, another ball, official or other item outside of the playing field (wall, ceiling, etc.) A ball is considered "live" if it hits your teammate and is then caught.*
- During play, all players must remain within the boundary lines. Players may leave the boundaries through their end-line only to retrieve stray balls. They must also return through their end-line. If any player crosses the center line they are out.
- A player may use a ball they are holding to deflect a LIVE ball. If that deflected ball hits another team member, it is considered a DEAD ball. However, if a player catches the ball, the player that threw it is out.
- A team cannot hold all of the balls for more than 5 seconds, otherwise a stalling call will be called and the team holding the balls will lose a player while the opposing team gains a player.
- *Eliminated players may not go back on the court during play!!!
- The first team to legally eliminate all opposing players will be declared the winner. A 5-minute time limit has been established for each contest. If neither team has been eliminated at the end of the 5 minutes, the team with the greater number of players remaining will be declared the winner.
 - *In case of a tie, the two teams will select a player from their team to compete in a one on one match. The court will be shortened to the attack lines. And each player will get one ball.*
- Most importantly, HAVE FUN!

Team T-Shirts:

You are responsible for the design on the T-shirt and name for your team if you wish to do so. All shirts should be school appropriate. ALL SCHOOL DRESS CODE RULES APPLY!!! CTC promotes a safe family environment. If any team shows up to the tournament with suggestive shirts they cannot participate.
